

Dear Friends,

We're on our way BACK to the States. Gary's mother is fighting a hard battle with cancer. It was found just before we left the States to come back to Rwanda at the end of July. At that time there was good hope for a remission. But now already the doctors aren't sure what the outcome will be. We went in this morning and got tickets. We'll be there about 2 weeks and fly back to Rwanda on the 23rd, arriving on the 25th. Please be praying the the long trip which starts on Thursday afternoon the 6th. We arrive in Denver on Friday. Pray for traveling mercies and for us to arrive in pretty decent shape. Pray especially for Gary's dad and mom during these difficult days.

You can be praying for my mom, my dad and the family as we struggle through this crisis.

Partners in Him,
Gary and Laurie
